DATA SOURCES: Pavement centerlines and hydrology derived from April 1995 flight taken from 10,000 feet. Other sources of centerline data are from a vehicle mounted Global Positioning System (GPS) used by the Land Information Department. Centerline data and road names are updated in the Land Information Department from other documents of public record including but not limited to the tax roll, certified surveys, plats of survey, and data from the Wisconsin Department of Transportation ("gas tax maps"). Refuse & Recycling Collection Days were provided by the City of Portage.
